

5 とりつこうこう にゆうし 都立高校の入試について

Q & A

Q1 とりつこうこう にはさまざま タイプの学校があるようですが、各高校の特色を知るにはどうしたらよいですか。

A1 各学校のホームページの他に、都立高校等検索サイトや都立学校魅力PR動画「まなびゆ〜」、特設サイト「#だから都立高」を活用することで、各高校の特色や魅力を知ることができます。ぜひ活用してみてください。

まなびゆ〜動画リンク集はこちら

Q2 推薦入試で必ず実施される、個人面接について教えてください。

A2 個人面接では、出願の動機・理由、興味・関心、高校生活に対する意欲、適性、規範意識・生活態度や自己PRカードの記載内容、中学校における様々な活動の状況及び将来の進路希望などを確かめたり、質問の内容を的確に把握し適切に回答する能力や表現力などを評価したりします。また、これまでの経験を今後の高校生活に生かすことができる力があるかなどを確認します。

Q3 推薦入試の集団討論の内容を教えてください。

A3 集団討論では、コミュニケーション能力や協調性、思考力、判断力、表現力などを評価します。与えられたテーマについて自分の考えを明確に述べることができるか、複数名の受検生同士が協力して一つのテーマに関して議論を進めて結論を導くことができるかなどを確認します。学級活動の時間に話し合いをしたことや、各教科の授業時間に皆で意見交換をしたことがあると思います。その経験を生かし、「自分自身の考え・意見をしっかりともちこつこと」、「相手の考えを理解した上で、自分の考えを的確に相手に伝えること」などを意識して臨んでください。なお、集団討論の形態には、「面接官が司会役となって議論を進めていく形」や「受検生だけで自主的に議論を進めていく形」があります。どの形態で行うかは、各高校が決めることとなります。

5 Tokyo Metropolitan High School Entrance Examinations Frequently Asked Questions

**Q1. There seem to be various types of Tokyo metropolitan high schools.
How can I learn the characteristics of each high school?**

A1. You can learn the characteristics and charms of each school by visiting its website. In addition, you can use the search engine for Tokyo metropolitan high schools and watch their promotional videos, "Mana-view" and check a dedicated site #Dakara Toritsuko (that's why Tokyo Metropolitan High Schools) introducing the charm of metropolitan schools. Please utilize these resources.

*For more details, please see the back of the front cover to find the page, "Let's look into the Tokyo Metropolitan High Schools – you will sure find the school that is right for you!" Here you can find the collection of video links, Mana-view. ▶

Q2. Please tell me about the individual interview - a required part of the recommendation-based admission screening process.

A2. During the individual interview, candidates will be asked about the reason for applying to the school, their interests and enthusiasm for high school life. The interview will also serve to confirm a candidate's suitability, sense of conscience, attitude toward life, the information provided on the self-introduction card, the various activities he/she has been involved in during junior high school and his/her plans for the future. A candidate's ability to accurately comprehend the questions and express him/herself by responding appropriately will be evaluated. The interviewers will also look at whether the candidate has the ability to apply his/her experiences to his/her future high school life.

Q3. Please tell me about the content of the group discussion of the recommendation-based admission screening process.

A3. During the group discussion, candidates' communication skills, spirit of cooperation and ability to think, make decisions and to express themselves are evaluated. The discussion will also serve to check if they can clearly state their thoughts on a given theme, and if multiple candidates can work together to discuss a theme and draw conclusions.

At your school, you must have had discussions during class activities and exchanged opinions during class hours in some subjects. For the group discussion, you should keep in mind to make use of that experience and be aware of "having your own thoughts and opinions firmly" and "understanding the other person's thoughts and accurately communicating your own thoughts to the other person." There are two types of group discussions: one with an interviewer acting as a moderator and facilitating the discussion and the other with candidates alone proceeding with the discussion voluntarily. It is up to each high school to decide which type of discussion to use.

Q4 文化・スポーツ等特別推薦とはどのような推薦入試ですか。

A4 皆さんが今までつちかってきた運動の技量や芸術的な感性など優れた能力を評価するとともに、各高校の個性化や特色化を推進するための入試です。

令和6年度入試で文化・スポーツ等特別推薦を実施する高校は、自校の教育活動等の特色に合わせて募集する種目や募集人数、検査内容を令和6年度東京都立高等学校入学者選抜実施要綱に定め、9月に発表しています。また、選考の際は、個人面接又は集団面接、実技検査、小論文又は作文などの各点数を基に、各高校で定めた各種目の基準に達している受験生の中から、合格者を決定します。

令和5年度入試では、88校で実施しました。

なお、この特別推薦と同時に、同一校の一般推薦にも出願することができます。

※ 文化・スポーツ等特別推薦により高校に入学した場合についても、必ずしも特定の顧問からの指導が受けられるわけではありません。

Q5 推薦入試で合格できなかった都立高校を、学力検査に基づく入試で再度受検できますか。

A5 受検できます。ただし、推薦入試と同じ学校を受検しても有利になるということはありません。

また、他の都立高校に出願し、受検することもできます。

なお、都立高校ではいずれかの入試（推薦、第一次募集・分割前期募集、分割後期募集・第二次募集）の合格者は、それ以降に行われる入試には出願できません。

Q4. What does the screening process require for special recommendation-based admissions candidates (cultural, sports, etc.)?

A4. Special recommendation-based screening and testing is held, not only to evaluate the outstanding abilities of athletic skills and artistic sensitivity that students have cultivated to date, but also to promote the individuality and speciality of each school in its area.

High schools to conduct special recommendation-based admissions for the AY 2024 will set the areas in which students are to be recruited, the number of available openings and the method of testing based on each individual school's educational activities and area of specialty. This information has been announced in Tokyo Metropolitan High School Entrance Examination Guidelines for the AY2024 since September. The selection will determine the successful candidates who meet criteria decided by each school for each area based on the points earned from the individual interview or group interview, practical test, and essay or composition. Special recommendation-based admission programs were offered at 88 schools in the AY 2023.

Applicants who apply through the special recommendation-based admission process can also apply to the same school through the general recommendation-based admission process at the same time.

* Please note that even if you enter a high school through the special recommendation-based admission process for culture, sports etc., you will not necessarily receive instruction from a specific advisor.

Q5. Is it possible to reapply to a high school that did not admit me through the recommendation-based admission by taking the academic achievement test-based admission?

A5. Yes, you may do so. However, taking the entrance exam for the same school that you applied for the recommendation-based admission will not give you any advantage over other applicants. Or you may instead apply and take the entrance exam to another Tokyo metropolitan high school.

In addition, please be aware that candidates who have successfully passed any of the Tokyo metropolitan high school entrance examinations (recommendation-based, first round of admissions/first phase of application period, second round of admissions/second phase of application period) will not be eligible to take any subsequently conducted entrance exams.

Q6 国際高校に設置されている国際バカロレアコースには、どのような人が応募できますか。
また、どのような検査を実施するのですか。

A6 中学校を卒業する見込みの方、中学校を卒業した方、海外帰国生徒及び在京外国人生徒で、国際高校の国際バカロレアコースを第一志望とする生徒が応募できます。推薦入試と同じ日に検査を実施するので、他の高校の推薦入試（国際高校を含む。）に出願することはできません。
英語運用能力検査、数学活用能力検査、小論文及び個人面接の検査を実施します。
なお、英語運用能力検査以外の検査では、出願時に、検査ごとに使用する言語を日本語又は英語から選ぶことができます。どちらを選んでも、有利・不利はありません。
詳しくは、11月上旬に発行予定の「令和6年度東京都立高等学校募集案内」で確認してください。
国際バカロレアコースの詳しい内容等については、国際高校にお問い合わせください。

Q7 学力検査問題を自校で作成する高校について教えてください。

A7 全日制高校のうち以下の10校では、第一次募集・分割前期募集において、学力検査問題を自校で作成します。これらの学校については、自校で作成した問題（国語、数学、英語）と都立高校共通問題（社会、理科）で学力検査を実施します。

学校名	作成方法
日比谷高校、戸山高校、青山高校、西高校、八王子東高校、立川高校、国立高校、新宿高校、墨田川高校、国分寺高校	国語、数学、英語の学力検査問題をそれぞれの高校（自校）で作成

なお、国際高校については、英語の学力検査問題のみを自校で作成しています。
また、一部の定時制高校でも、自校で作成した問題により入試を行っています。

Q6. Who is eligible to apply for the International Baccalaureate Diploma Programme which has been established at Kokusai High School? What kinds of examinations are held?

A6. Among those who are expected to graduate from junior high school, who have graduated from junior high school, who have returned from overseas and who are foreign students residing in Tokyo, those who designate the International Baccalaureate Diploma Programme at Kokusai High School as their first choice are eligible to apply. Because the examination is held on the same date as the recommendation-based admissions, the student may not apply simultaneously for a recommendation-based admission of another high school (including Kokusai High School). The examination includes an English language skills test, mathematics academic performance test, essay and individual interview.

At the time of application, the applicants may choose in which language you will take each examination, either Japanese or English, except for the English language skills test. Choosing either language will not have any advantage or disadvantage over other applicants.

For more detailed information, please refer to the “Tokyo Metropolitan High Schools Guide to Admissions 2024 Academic Year” to be issued in early November. For details on the International Baccalaureate Diploma Programme, please contact Kokusai High School.

Q7. Please tell me about the schools which administer academic achievement tests with exam content prepared by each school on its own or by a group.

A7. Ten of the full-time schools shown below prepare an exam content tailored for each school for the first round of admissions/first phase of the application period. These schools will administer academic achievement tests with content prepared by each school (Japanese, math and English) in combination with exam questions prepared by Tokyo Metropolitan Board of Education (social studies and science).

Name of High Schools	How to prepare the exams
Hibiya, Toyama, Aoyama, Nishi, Hachioji Higashi, Tachikawa, Kunitachi, Shinjuku, Sumidagawa and Kokubunji	Academic achievement tests of Japanese, math, and English prepared by each school on its own.

Furthermore, Kokusai High School prepares only the English language portion of the examination on its own.

In addition, some part-time schools also administer entrance examinations using questions prepared on their own.
