付表

公立高等学校卒業者の進路状況推移 (109頁)

(正)

Table showing career progression of graduates from 2010 to 2020. Columns include graduation year, course type, total graduates, advanced students, students in vocational schools, employed graduates, temporary workers, students in non-listed categories, deaths, and graduates who continued their education in vocational schools. Data for each year and course type is provided.

(誤)

Table showing career progression of graduates from 2010 to 2020. This table is identical to the one on the left but contains some errors. Notable errors include incorrect values for '左記以外の者(在家庭者・その他)' and '進学者のうち就職している者(再掲)' in several rows, such as the row for 2020 (30) where '進学者' is 21,550 instead of 21,979.
