

●基礎情報

Table showing school counts (小学校数, 中学校数) and student counts by grade level (1-6 years) for elementary and middle schools.

1 体格及び体力・運動能力調査結果平均値

Large table showing physical characteristics and sports ability survey results (体格, 体力合計点, 総合評価) for elementary and middle school students.

2 生活・運動習慣等調査結果

Table showing lifestyle and sports habits survey results (運動部所属, 運動実施状況, 1日運動時間) for elementary and middle school students.

Table showing television viewing habits survey results (朝食の有無, 1日睡眠時間, テレビ視聴時間) for elementary and middle school students.

Table showing detailed sports participation survey results (運動実施状況詳細, 運動実施, 運動時間平均) for elementary and middle school students.

Table showing survey results on where students engage in sports (放課後運動するところ, 土曜日に運動するところ, 日曜日に運動するところ).

Table showing survey results on frequency and duration of sports (土曜日の運動状況, 土曜日回数, 土曜日時間平均, 日曜日の運動状況, 日曜日回数, 日曜日時間平均).

Table showing survey results on sports preferences (運動好き嫌い, 運動得意不得意, 運動をもっとしたい).

3 学校質問紙調査結果

Table showing school questionnaire survey results (グラウンドの材質, 天然芝, 人工芝, 体力向上に係る取組, etc.).

区市町村別調査結果

●基礎情報

Table showing school counts (小学校数) and student counts (児童数) for elementary and middle schools across various years.

1. 体格及び体力・運動能力調査結果平均値

Table of physical and sports ability survey results, including metrics like height, weight, and various physical tests for elementary and middle schools.

2. 生活・運動習慣等調査結果

Table of lifestyle and sports habits survey results, including daily exercise time and participation in sports activities.

Table of breakfast habits and TV watching time, including frequency of eating breakfast and average TV viewing hours.

Table of sports facility usage and average sports participation time, detailing usage of various facilities and average weekly participation.

Table of sports participation locations, showing where students participate in sports activities.

Table of sports participation frequency, detailing the number of times students participate in sports activities.

Table of sports participation interest, showing students' interest in participating in sports activities.

3. 学校質問紙調査結果

Table of school questionnaire survey results, covering school grounds, physical education, and sports activities.

区市町村別調査結果

●基礎情報

Table showing school counts (schools, students) for elementary and middle schools across grades 1-6.

1 体格及び体力・運動能力調査結果平均値

Table of physical fitness and sports ability survey results, including metrics like height, weight, and various physical tests.

2 生活・運動習慣等調査結果

Table of lifestyle and sports habits survey results, including sports participation rates and daily exercise time.

Table of eating habits survey results, including frequency of eating and drinking.

Table of sports participation details, including frequency and duration of various activities.

Table of sports participation locations, including school, home, and other areas.

Table of sports participation frequency, including number of days and duration.

Table of sports participation preferences, including reasons for participating and desired activities.

3 学校質問紙調査結果

Table of school questionnaire survey results, including responses to questions about school facilities and programs.

区市町村別調査結果

●基礎情報

Table showing school enrollment data for elementary and middle schools, categorized by grade and gender.

1 体格及び体力・運動能力調査結果平均値

Table of average physical and athletic performance data, including height, weight, and various physical tests for elementary and middle school students.

2 生活・運動習慣等調査結果

Table of survey results on daily life and exercise habits, including frequency of exercise and daily activity time.

Table of survey results on sleep and television viewing habits, including sleep duration and TV watching time.

Table of survey results on exercise frequency and duration, including weekly exercise days and minutes.

Table of survey results on exercise locations, including where students exercise and how often.

Table of survey results on exercise frequency and duration, including weekly exercise days and minutes.

Table of survey results on exercise preferences, including what types of exercise students like and dislike.

3 学校質問紙調査結果

Table of school questionnaire survey results, including information on school grounds and physical education programs.

区市町村別調査結果

●基礎情報

Table showing school counts and student numbers by grade level (1st to 6th grade elementary, 1st to 3rd grade middle school).

1 体格及び体力・運動能力調査結果平均値

Table of physical and athletic ability survey results, including height, weight, and fitness scores for elementary and middle school students.

2 生活・運動習慣等調査結果

Table of lifestyle and sports habits survey results, covering sports participation, exercise frequency, and daily activity times.

Table of eating habits and sleep patterns survey results, including meal frequency and sleep duration.

Table of sports participation and activity details survey results, including frequency of sports and specific activities.

Table of sports participation locations survey results, detailing where students participate in sports.

Table of sports participation frequency and duration survey results, including weekly frequency and time spent.

Table of sports preferences and enjoyment survey results, covering favorite sports and reasons for participation.

3 学校質問紙調査結果

Table of school questionnaire survey results, including information on school facilities and physical education programs.

区市町村別調査結果

●基礎情報

Table showing school counts (学校数) and student counts (児童数) for elementary and middle schools across various grades (1st to 6th).

1 体格及び体力・運動能力調査結果平均値
