

10 受験上の配慮について

都立高校の入試では、障害のある志願者が受験する場合、学力検査や小論文(作文)、面接等において、検査方法、検査時間及び検査会場等について、受験上の配慮を申請することが可能です。
また、一般の学力検査において、日本語指導を必要とする生徒等に対する配慮も行っています。

障害のある受験者に対する配慮

- 障害のある志願者が受験する場合、学力検査、小論文(作文)、面接等において、検査方法、検査時間及び検査会場等について受験上の配慮を申請することが可能です。
- 所定の申請書により、志願先の都立高校へ事前に申請します。申請は、在学する中学校を通して行いますので、中学校の先生に確認してください(現在中学校に在学していない場合は、志願先の都立高校に申請します。詳しくは、志願先の都立高校にお問い合わせください。)
- 都立高校への申請時期は、例年、12月中旬頃となっています(令和6年度入学者選抜では、令和5年12月15日までに提出としています。)

日本語指導が必要な生徒等に対する配慮

- 国籍を問わず、入国後の在日期間に応じて、日本語指導を必要とする生徒等に対する学力検査実施上の配慮を行います。
 - 日本に入国後6年以内で、配慮を希望する志願者に対し、第一次募集・分割前期募集及び分割後期募集・第二次募集における学力検査問題の共通問題について、ひらがなのルビを振った学力検査問題等での検査を実施します。
 - 上記に加えて、日本に入国後3年以内で、配慮を希望する志願者に対しては、希望する外国語について、日本語に対する当該外国語の訳が記載されている辞書1冊、当該外国語に対する日本語の訳が記載されている辞書1冊の合計2冊(例:日中辞典と中日辞典)の持込みと検査時間の延長(10分)の配慮があります。
 - 所定の申請書により、出願時に志願する都立高校長へ申請します。
- ※上記は、令和6年度入学者選抜に基づく内容であるため、変更になる可能性があります。

10. Special Considerations for Examinees with Disabilities etc.

In the entrance examinations of the Tokyo metropolitan high schools, the applicants with disabilities etc. can apply for special considerations regarding the examination method, examination time, examination venue etc. in academic achievement tests, essays (compositions) and interviews etc.

In addition, in general academic achievement test, special considerations are also provided for the students who need assistance with Japanese language.

Measures for Examinees with Disabilities

- In the entrance examinations of the Tokyo metropolitan high schools, the applicants with disabilities etc. can apply for special considerations regarding the examination method, examination time, examination venue etc. in academic achievement tests, essays (compositions) and interviews etc.
- By using the prescribed application forms, you need to submit application in advance to the Tokyo metropolitan high school to which you are applying to. As the application will be submitted through the junior high school you belong to, you need to check with your junior high school teacher (in case you are not currently enrolled in a junior high school, you need to directly submit applications to the Tokyo metropolitan high school you are applying to. Contact the Tokyo metropolitan high school you are applying to.)
- The application period to the Tokyo metropolitan high school is usually around mid-December (for the selection of the students to enroll in AY 2024, the applications must be submitted by December 15, 2023.).

Special Measures for the Students Who Need Assistance with Japanese Language

- Regardless of the applicants' nationalities, according to the duration of residence in Japan after entering in Japan, special considerations regarding the entrance examinations will be provided for the students etc. who need assistance with Japanese language.
- For the applicants who have stayed in Japan for less than six years and wish special considerations for the questions of the academic achievement tests common in the first round/first phase of application period and second round/second phase of application period, conduct the academic achievement tests by using the ones with hiragana rubi etc. will be conducted.
- In addition to the above-mentioned, for the applicants who have stayed in Japan for less than three years and wish special considerations for the entrance examinations, the following special considerations are provided:
 - For the desired foreign language, they may bring two dictionaries in total: one dictionary containing the translation of the said foreign language for Japanese and the one containing the translation for the said foreign language (e.g. Japanese-Chinese dictionary and Chinese-Japanese Dictionary); and
 - Extended examination time (10 minutes).
- The applicant needs to submit the prescribed application form for special measures to the principal of the Tokyo metropolitan high school which he/she is applying to at the time of submission of application
